## Christo Spot Uplight CR-0-BLK

Finish	Black
Housing	Die-cast, solid brass.
Lamp Type	MR11 not included
Lamp Holder	Ceramic socket with nickel contacts
Wiring	3' 18-2 direct-burial cable.
Mounting	Stake
Volts	12Vac
Fasteners	All fasteners are stainless steel.
Certification	ETL listed to U.S. and Canadian safety standards for low voltage luminaries (UL 1838).

The small size and angled cap allows you to tuck in the light and control the beam spill while at the same time highlighting the garden art for visual impact.

Includes 2 Waterproof connectors and ground spike
