Markham, ON, Canada

LUNA™

Sitting proudly between a premium integrated LED luminaire and a budget retrofit, the LUNA Series offers the housing, trim, and lamp look without the overhead and heat! That's right - We killed the can! Available in round, square, tilting and fixed options, LUNA offers space uniformity to best suit your building's or project's needs.

The **LUNA Designer Series** offers a sleek, directional, and quiet alternative to further elevate your space. Contractors, builders, homeowners, and designers alike now have a LUNA regressed option for a more seamless design that offers a selectable CCT switch for on-site flexibility.
