## Application Information

### Applications

- Back-lighting
- Border lighting
- Cove lighting
- Edge lighting
- Path and contour marking

### Market Segments

- Residential
- Small business

### Application Notes

1. SMART<sup>+</sup> Flex requires SYLVANIA Smart Home app and compatible Android or Apple device
2. Product activation requires active network and compatible Android 6.0 device or an iOS 10.3, or later, Apple device
3. Lamp turns on at 2700K, 100% brightness, but can be customized using the SYLVANIA Smart Home app
4. 2-year limited product warranty
5. Operating temperatures -4°F to +104°F (-20°C to +40°C)
6. Suitable for use in damp locations
7. Do not install in totally enclosed fixtures
8. Not intended for use with dimmers, emergency light fixtures or exit lights
9. Lamp dims via wireless control and will not operate with a dimmer switch. Remove all existing dimmers and replace with a regular switch; leave lamp in ON position

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. For FCC Part 15 user information, please see [www.sylvania.com/fcc15b](http://www.sylvania.com/fcc15b).
