

Mechanical Line Voltage Thermostats

	Product #	Range	Power	Description	Qty
	OTL221	5 °C to 32 °C (41 °F to 90 °F)	22A at 120/208/240/277V	Mechanical thermostat, single-pole, single-throw, Celsius and Fahrenheit	
	OTL222		22A at 120/208/240/277V	Mechanical thermostat, double-pole, single-throw, Celsius and Fahrenheit	
	T498A1927	5 °C to 25 °C	19A at 277V 22A at 120/208/240V	Mechanical Line voltage thermostat, single-pole, single-throw	

Standard color is white.

Mechanical Low Voltage Thermostats

	# Product	Range	Description	Qty
	T87K1015	10 °C to 35 °C	Mechanical Low voltage thermostat, round	
	T822K1034	10 °C to 32 °C	Mechanical Low voltage thermostat, rectangular, Celsius	

Standard color is white.

Programmable Battery-Powered Electronic Thermostat (Low or Line Voltage)

	Product #	Amp.	Volts	Description	Qty
	TH140-28-01-B	5A (resistive) 2A (inductive)	24/120/240	Programmable battery-powered electronic thermostat	

Standard color is white.
